MEMORANDUM

TO: Parents of West Middle School Students
DATE: September 6, 2024
RE: ADVANCE NOTICE OF PESTICIDE TREATMENT

ADVANCE NOTICE OF PESTICIDE TREATMENT

Attention: This facility utilizes an Integrated Pest Management Program for pest control, employing non-chemical methods that include sanitation and exclusion to control pests. However, from time to time a pesticide application may be necessary to control certain pests.

Please be advised that an emergency pesticide application to address Datura Stramonium is expected to be applied at West Middle School.

The approximate location of this pest control treatment is West Middle School, in various locations in grassy areas around the school building.

The anticipated date of treatment will be Friday, September 6, and Saturday, September 7, 2024. Inclement weather dates will be Sunday, September 8, 2024, or Monday, September 9, 2024.

If you have questions pertaining to this treatment, please contact:
