2019/12/14 5:44:21 AM EST	Preschool/Kindergarten;1st/2nd/3rd	Very Important	Somewhat Important	Important	Important	1 - Highest priority	2	3	5	4	6	Outdoor environment (gardens, forests, beaches) & natural playscaping should be a priority as well. Montessori curriculum encourages exploration of, and interacting with, nature. I appreciate the montessori-based bkgrd the planning-session architects/designers had. Please maintain the desire to do it well, and with a true Montessori adherence.
2019/12/14 8:05:17 AM EST	Preschool/Kindergarten	Very Important	Very Important	Somewhat Important	Important	6	2	5	3	4	1 - Highest priority	I leave it to the teachers/staff to recognize what is most necessary for the new building. I hope the new school isn't more than a few minutes away or at least fairly accessible on the west side, but I would endure a little extra driving for the quality of education and care my daughter (and soon, son) receives at Montessori.

2019/12/16 11:13:03 AM EST	1st/2nd/3rd;4th/5th/6th	Very Important	Somewhat Important	Somewhat Important	Important	3	2	6	4	1 - Highest priority	5	<p>We were very disappointed with the delay in the building, but we understand the need to get it right. Unfortunately, with a current 5th grader, we are right in the mix of what will happen to expand for the middle school option, putting us in limbo. We also have a current second grader and what will happen in the next couple of years is very important to us for this child as well. We really do NOT want to be relocated to a school far away during construction. We live on the west side of town and a relocation to Bertha Vos would be a huge hurdle for us. We love the Montessori program for both of our children, but such a large relocation would force us to consider our future with the program because of such a distance and travel time to the school building. I have also heard discussion of a possible new building location on Franke Road and I wonder about the collaboration that could take place for middle school students in the Montessori school with students at West Middle School. If the schools could be connected via a walking path, maybe Montessori students could have access to elective classes at West Middle. This option might also help for sports that would take place right after school. This is just an option that I have thought about that I haven't heard discussed a whole lot. For our family, the best scenario would be for the new school to be built in a new location so that we would not be forced to deal with an across town relocation during construction. Thanks to all for soliciting more feedback on this process, it is greatly appreciated by us parents!</p>
2019/12/16 2:01:07 PM EST	1st/2nd/3rd;4th/5th/6th	Somewhat Important	Very Important	Not Important	Very Important	3	1 - Highest priority	5	2	4	6	<p>Why didn't this whole process start with this survey? Why are we only being asked for input now that this thing is much further along? Why was this survey not sent out in a separate email instead of buried way down in a generic email we get every week and we may not pay that much attention to? Very disappointed with how this whole process has been handled to date.</p>

2019/12/16 7:13:02 PM EST	4th/5th/6th	Important	Very Important	Very Important	Somewhat Important	2	3	5	4	1 - Highest priority	6	Please let kids stay in the current location during the rebuild. Most families currently drive in. If our kids are bused to Bertha Vos during the reconstruct (which would disrupt our entire school community) we personally would have to switch schools because driving my kid a half hour in, then having her ride on a bus for a half hour, is unreasonable. Plus it is a huge additional unnecessary cost. I don't understand why we wouldn't just move the school a half mile up the road and build on Franke. At the visioning, staff continued to talk about wanting space and large classrooms. It was one of their top priorities. Franke would give them that and would allow the current MO community to stay put during the transition.

2019/12/18 3:30:45 PM EST	Preschool/Kindergarten;1st/2nd/3rd	Very Important	Very Important	Not Important	Somewhat Important	1 - Highest priority	4	3	6	2	5	Start time of 9am #science!
2019/12/18 3:47:01 PM EST	1st/2nd/3rd	Very Important	Important	Somewhat Important	Very Important	3	1 - Highest priority	6	5	2	4	Keeping the school in the neighborhood/walkable is a very high priority for our family
2019/12/18 8:51:35 PM EST	1st/2nd/3rd;4th/5th/6th	Important	Somewhat Important	Somewhat Important	Important	3	2	6	5	1 - Highest priority	4	
2019/12/18 9:00:39 PM EST	1st/2nd/3rd;4th/5th/6th	Very Important	Very Important	Somewhat Important	Somewhat Important	1 - Highest priority	4	3	5	6	2	It appears that the majority of our population drives their kids to school. I think this needs to be considered. It would be most ideal if our new adolescent program has at least one year in the new building. The philosophy of the program and needs of the students needs to be considered first and foremost. I hope that is a focus rather than the needs of those that want a walkable/bikeable school. With that being said, I find it really frustrating that the city turned down the initial plan of us re-routing Griffin Street. I feel like our school could have been worked into the future vision for the 14th street master plan.
2019/12/20 4:10:25 PM EST	1st/2nd/3rd	Very Important	Very Important	Very Important	Very Important	2	1 - Highest priority	3	6	5	4	I believe the school needs to stay as close to the current location as possible. Franke Road is not ideal. Traffic studies may need to be done. Road abandonment needs to be further pursued. With the current School Board issues the school needs to have as much transparency as possible with this project.
2019/12/20 4:13:21 PM EST	Toddler;Preschool/Kindergarten	Important	Very Important	Not Important	Very Important	3	1 - Highest priority	6	5	2	4	I think there is a lot of value in maintaining the current school location rather than moving to the swamp behind Meijer. This is a neighborhood school and relationships extend outside of school for many of us. I would hate to have an additional geographic divide (basically requiring a car trip) that would disrupt our neighborhood community.

Is there anything else you would like to add?

If we get temporarily relocated to the east side of town, we will not attend anymore as we already have a 25 minute drive to school and that will add another 30.

Is there anything else you would like to add?

Building a new school in a non-walkable area like Franke Rd. is a loss not only for the potential students but also for the community. I am unclear as to why this is being re-visited at this time.

Is there anything else you would like to add?

Totally unrelated, but would it ever be possible to somehow add in more outdoor recess time during the day, as research clearly shows it is incredibly beneficial to children? 😊

Is there anything else you would like to add?

Outdoor environment (gardens, forests, beaches) & natural playscaping should be a priority as well.

Montessori curriculum encourages exploration of, and interacting with, nature.

I appreciate the montessori-based bkgrd the planning-session architects/designers had. Please maintain the desire to do it well, and with a true Montessori adherence.

Please rate the importance of the following reasons for deciding to enroll your child(ren) at TCAPS Montessori. *

	Very Important	Important	Somewhat Important	Not Important
Montessori Philosophy and Educational Priorities	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
TCAPS Montessori staff and building culture	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Current school start time	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Current school location	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

During the design phase of the new school, staff members were able to share their instructional priorities for the new building. From your perspective as a parent, please rate the importance of the following priorities: *

	1 - Highest priority	2	3	4	5	6
Larger classroom sizes for students to spread out	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
Building location	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Onsite parking	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Maintaining existing start and end times (during the construction and/or when the new building is complete)	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Staying in the current building during the construction process (not being relocated)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Flexibility for future program growth (expand toddler option and/or high school)	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Is there anything else you would like to add?

I leave it to the teachers/staff to recognize what is most necessary for the new building. I hope the new school isn't more than a few minutes away or at least fairly accessible on the west side, but I would endure a little extra driving for the quality of education and care my daughter (and soon, son) receives at Montessori.

Is there anything else you would like to add?

If we are so concerned about our children and their education and TCAPS finances why does the city and the adults need to worry about an alley way/tailgating location/softball fields? The current building is outdated and is contaminated with who knows what. The children and staff deserve a proper building. The adults in Traverse City need to look at that and not a place to tailgate.

We love that our school is walkable! Please don't cross Division, as this will no longer be a walk to school for a lot of us!!

This survey was very cumbersome because it does not allow me to answer how i truly feel as I could only enter one choice per column. The directions do not say rank your highest priority to your lowest, which is what appears to be what you have to do to submit this survey!

Is there anything else you would like to add?

We commute from Interlochen, so while the current location of the school isn't as important to us, a location that was on a different side of town would significantly impact us, and possibly make it where we could not continue if it were to be too far away.

We were very disappointed with the delay in the building, but we understand the need to get it right. Unfortunately, with a current 5th grader, we are right in the mix of what will happen to expand for the middle school option, putting us in limbo. We also have a current second grader and what will happen in the next couple of years is very important to us for this child as well. We really do NOT want to be relocated to a school far away during construction. We live on the west side of town and a relocation to Bertha Vos would be a huge hurdle for us. We love the Montessori program for both of our children, but such a large relocation would force us to consider our future with the program because of such a distance and travel time to the school building. I have also heard discussion of a possible new building location on Franke Road and I wonder about the collaboration that could take place for middle school students in the Montessori school with students at West Middle School. If the schools could be connected via a walking path, maybe Montessori students could have access to elective classes at West Middle. This option might also help for sports that would take place right after school. This is just an option that I have thought about that I haven't heard discussed a whole lot. For our family, the best scenario would be for the new school to be built in a new location so that we would not be forced to deal with an across town relocation during construction. Thanks to all for soliciting more feedback on this process, it is greatly appreciated by us parents!

Why didn't this whole process start with this survey? Why are we only being asked for input now that this thing is much further along? Why was this survey not sent out in a separate email instead of buried way down in a generic email we get every week and we may not pay that much attention to? Very disappointed with how this whole process has been handled to date.

I really appreciate having the school in a neighborhood, being able to walk to school, and the sense of community that comes from being out of our cars and interacting with one another and surrounding families.

Current school location	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

During the design phase of the new school, staff members were able to share their instructional priorities for the new building. From your perspective as a parent, please rate the importance of the following priorities: *

	1 - Highest priority	2	3	4	5	6
Larger classroom sizes for students to spread out	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Building location	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Onsite parking	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Maintaining existing start and end times (during the construction and/or when the new building is complete)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Staying in the current building during the construction process (not being relocated)	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Flexibility for future program growth (expand toddler option and/or high school)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

Is there anything else you would like to add?

Please let kids stay in the current location during the rebuild. Most families currently drive in. If our kids are bused to Bertha Vos during the reconstruct (which would disrupt our entire school community) we personally would have to switch schools because driving my kid a half hour in, then having her ride on a bus for a half hour, is unreasonable. Plus it is a huge additional unnecessary cost. I don't understand why we wouldn't just move the school a half mile up the road and build on Franke. At the visioning, staff continued to talk about wanting space and large classrooms. It was one of their top priorities. Franke would give them that and would allow the current MO community to stay put during the transition.

Is there anything else you would like to add?

Please do not consider a relocation, even temporarily to the Bertha Vos building. It would be a true hardship for many families and staff members, as it is too far from our current location.

Is there anything else you would like to add?

Please reconsider the site behind Meijer. The crosswalks to the Botanical Gardens and hiking trails at the Commons, the community gardens, etc.. would be a wonderful Montessorian opportunity for the students. Certain sporting events could be shared with WMS facilities. Thank you

Is there anything else you would like to add?

Montessori is a magnet school, bringing in families from all over the district. Making students drive into school just to get on a bus makes no sense, even for a short time period when there is a a great location option up the road on Franke road. I don't understand why that option wasn't more heavily considered during the first planning phase.

PLEASE keep the school in downtown, in our neighborhoods. Connection to community and walk/bike friendly access is so important. Also ZERO interest in any parking. We don't have any now and are doing fine. Horrible use of land.

Please keep the school in a walkable location! Has anyone approached the city about considering a bike sidewalk similar to the one on 8th St? Is it a possible solution for the cross city bike route? This would allow them to close off the road.

Is there anything else you would like to add?

We walk to school and being able to continue walking is a huge priority for us. With a kindergartener and a younger sibling who is still an infant, we have many years ahead and many days we hope not to need to pile everyone into the car!

Is there anything else you would like to add?

Magnet schools need to stay downtown. See magnet school locations in other U.S. cities. Also, notice the piles of bikes and wagons at pick up time. Families enjoy the walkability we need to push the city to allow the closure of a section of Griffin. A traffic study would reveal that the road is not heavily used by non school related traffic.

Is there anything else you would like to add?

We moved into the current locations neighborhood, AFTER summer 2019 when TCAPS announced the new building would be on 14th St. TCAPS and the City need to find a resolution ASAP.

The City just allowed Munson to literally construct a building on 6th St., permanently closing and taking the egress. They should allow it on the alley (Griffin St.)

Is there anything else you would like to add?

The ability to bike/walk/bus is very important to our family. We have seen how the culture at Glenn Loomis has benefited our kindergartener and would love to give her the opportunity to continue at tcaps Montessori. As a one car family, we would be hard pressed to make a remote location work, even for one year. Hope you can find a solution at the current site and thank you for seeking parent input!

Is there anything else you would like to add?

I'm a first-time Glenn Loomis toddler parent, so I'm not fully aware of current class sized or spacial needs. And for building location, it's important that Glenn Loomis stays in the same neighborhood, but I guess I'm not picky about WHERE in the neighborhood.

Is there anything else you would like to add?

Please do not move us for a year! My Children are creatures of habit and this shift would be extremely hard for them. Also why not work with the city and redesign the current building on 14th? Move the parking so it is not on 14th?

Is there anything else you would like to add?

Adding multi purpose rooms so things like art class can possibly be added back in the future if budgets and curriculum changes. So there's room for growth.

Is there anything else you would like to add?

I hope you will not relocate and upset the entire building during reconstruction. Keep the kids where they are and build on Franke road. It would allow staff the space they want to have large classrooms, and would be the least upheaval to all the families who open enroll. Franke road is maybe a half mile away and would allow MO staff to do all the innovative things they want to do in their new building.

Montessori Parent Survey

This survey is to obtain information from current Montessori parents regarding the planning of the new school.

Please indicate what grade(s) your child(ren) attend(s). *

- ☐ Toddler
- ☐ Preschool/Kindergarten
- ☐ 1st/2nd/3rd
- ☒ 4th/5th/6th

Please rate the importance of the following reasons for deciding to enroll your child(ren) at TCAPS Montessori. *

	Very Important	Important	Somewhat Important	Not Important
Montessori Philosophy and Educational Priorities	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
TCAPS Montessori staff and building culture	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Current school start time	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
Current school location	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

During the design phase of the new school, staff members were able to share their instructional priorities for the new building. From your perspective as a parent, please rate the importance of the following priorities: *

	1 - Highest priority	2	3	4	5	6
Larger classroom sizes for students to spread out	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Building location	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Onsite parking	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
Maintaining existing start and end times (during the construction and/or when the new building is complete)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Staying in the current building during the construction process (not being relocated)	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Flexibility for future program growth (expand toddler option and/or high school)	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Is there anything else you would like to add?

Would support the school in same location but not at the cost of sensible urban design. If the goal is a suburban school, downtown is not ideal.

Please do not relocate students during construction. We will likely find a different school if students are relocated more than a couple of miles during construction.

The ability to walk to/from school is extremely important. This will not be an option for us if the school is relocated to Franke Rd. Please build the new school in or near its current location only.

Is there anything else you would like to add?

We made our decision to purchase a home based on the current location of Glenn Loomis. This was the biggest factor in our decision. Our daughter walks safely to and from school every day, and has for the last year and a half. It is extremely valuable to us as members of the Traverse City community and our neighborhood that our child and her peers continue to enjoy a walkable location. Since she is in 3rd grade, we hope to enjoy and support many more years of a low environmental impact, healthy community lifestyle. Thank you for your consideration.

Is there anything else you would like to add?

It appears that the majority of our population drives their kids to school. I think this needs to be considered. It would be most ideal if our new adolescent program has at least one year in the new building. The philosophy of the program and needs of the students needs to be considered first and foremost. I hope that is a focus rather than the needs of those that want a walkable/bikeable school. With that being said, I find it really frustrating that the city turned down the initial plan of us re-routing Griffin Street. I feel like our school could have been worked into the future vision for the 14th street master plan.

Is there anything else you would like to add?

I believe the school needs to stay as close to the current location as possible. Franke Road is not ideal. Traffic studies may need to be done. Road abandonment needs to be further pursued. With the current School Board issues the school needs to have as much transparency as possible with this project.

Is there anything else you would like to add?

I think there is a lot of value in maintaining the current school location rather than moving to the swamp behind Meijer. This is a neighborhood school and relationships extend outside of school for many of us. I would hate to have an additional geographic divide (basically requiring a car trip) that would disrupt our neighborhood community.

Montessori Parent Survey

This survey is to obtain information from current Montessori parents regarding the planning of the new school.

Please indicate what grade(s) your child(ren) attend(s). *

- ☐ Toddler
- ☒ Preschool/Kindergarten
- ☒ 1st/2nd/3rd
- ☐ 4th/5th/6th

Please rate the importance of the following reasons for deciding to enroll your child(ren) at TCAPS Montessori. *

	Very Important	Important	Somewhat Important	Not Important
Montessori Philosophy and Educational Priorities	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
TCAPS Montessori staff and building culture	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Current school start time	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Current school location	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

During the design phase of the new school, staff members were able to share their instructional priorities for the new building. From your perspective as a parent, please rate the importance of the following priorities: *

	1 - Highest priority	2	3	4	5	6
Larger classroom sizes for students to spread out	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Building location	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Onsite parking	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Maintaining existing start and end times (during the construction and/or when the new building is complete)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
