

Goals on track.

High School Internship

Our High School Internship introduces you to the business world. In a 10-week summer program, you'll learn:

- Retail business model
- Culture and inclusion
- Service to others
- Merchandising
- Fresh food production
- Warehouse operations
- Business tech

After the internship, consider:

- Joining our team while you finish school, or
- Joining our team after graduation

Earn at least **\$16/hr.** and kick-start an exciting career in retail management with ultimate earning potential in the six-figure range.

100% paid College tuition

We partner with Guild Education to provide on-line, flexible education programs made specifically for working adults.

Thinking about your grades? At Sam's Club, the only "C"s you'll see are:

Choice:

Choose between college degrees, college prep, professional certificates, and high school diplomas.

Cost:

We cover tuition costs up front. We even pay for your required textbooks through a reimbursement process.

Convenience:

Select on-line school programs built for your busy schedule and start whenever you are ready.

Coaching:

FREE education coaching to guide you every step of the way.
