Attached you will find a current census (includes all eligible employees), current plan structure, and group claims reports (above group is included in claims reports, however claims data includes other employee groups as well, groups not large enough to separate). Below you will find the renewals for this group effective June 1, 2012. Please quote rates to be effective July 1, 2012 and maintain plan structure as close to current as possible. Any plan changes, please reduce benefit level for that category understanding plans cannot match exactly. In addition, please add a HDHP at the minimum deductible level. Please also provide options (i.e. a rate grid) to modify quoted plans if available. Thanks.
